

Cambodia Dez. 2002 – Jan. 2003

Report 1

we are fly to Cambodia 10./11.12.02. In Phnom Penh we have see some important Place, so the Kings Palace, the Silverpagode, Toul Sleng Museum und Killingfields. Last Places was where Pol Pot Komunist made very bad thigs with many pain for the Peoples and has much from them murdet.

14.12.02 we are go by Boat over Tonle Sap to Siem Reap. Here we have seen the very beautiful Temples from Angkor. Also we have contact with the Fishingpeoples and other. All are very nice. It is very hot all the time, but for us not a big problem.

On evening we was by traditional asparadancing. Traffic is special. Peoples drive where is free. But all is very still.

Report 2

The english report I will make a little shorter. My english is to bad for correct details. If you will know more, you musst tacke the electronictranslator.

30.12.02 we are fly to Banglung/Ratanakiri in the nordeast. Here we was on the way by ToyotajEEP. The Roads was very bad. But we see many things in the smal Villages from the Minoritis. We has have good contact to the peoples, but we cannot see what minority,

because cloths was same. Only the language is different. Our driver can tell us. We see also rubber Plantages and woks for rubinstones.

Later we fly to Stung Tren by Mekong and go by Speedboat to aoborder. After we go Mekong down with some stpover in Kratie and Kampong Cham. This time we are in PP.

Bericht 3

We was in Udong, on a Hill with some Temples. Befor long time was that the Maincity of Khmer. Later we go to Kompong Thom. Here we saw Ruins from 6 to 8 century, the name is Sambor Prei kuk. Later we visit Wat Andri and the Hill Phnom Santuk. There are 809 Stairs and it was very hot.
